Notes:

'Modernising Trust Ports – A Guide to Good Governance' (Annex 7 – Declarations of Interest) (Department for Transport – 2000) requires all Harbour Commissioners to complete a Declarations of Interest Screen Questionnaire. In line with these Guidelines, MHIC maintains a Register of Interests of its Members as set out in Annex 7. This allows for such information to be treated in confidence, except information as to Members' Name, Date of Birth, Other Business Interests and Other Appointments, all of which appear on the Register which is open for inspection by the public.

NB. Any Commissioners elected to the Board prior to January 2000 when the Guidelines were introduced, are required to provide the details on a voluntary basis only.
