## **BARGES AND PASSENGER CARRYING VESSELS HARBOUR DUES FOR PASSENGER CHARTERS WAIVED JANUARY 2020 – DECEMBER 2020**

The Maldon Harbour Improvement Commissioners are waiving Harbour Dues for Passenger Charters for the year January 2020 to December 2020.

In order to make the most appropriate arrangements for future Harbour Dues, the Commissioners will be asking passenger charter operators to provide the usual Passenger Return breakdown month by month for passenger numbers in 2020. The Clerk will send this out in December 2020.

The Commissioners would like to take this opportunity to express their support for Harbour Users and wish passenger charter operators well.
